

The Derek Glover Family, share their story

"After 30 years in the same town, we decided to make a change. We wanted to find a strong community and a strong church to work with to share the Gospel. We are so thankful that God led us to Monroe. As a new family in a new place, it can be hard to meet people. God blessed us further through the YMCA. Through volunteering and participation in programs at the Y we have built so many wonderful relationships. Our faith has been strengthened by the camaraderie at the Y and by God's grace and the wonderful love that exists in this YMCA community. We can say without a doubt that we are home."

YOUTH DEVELOPMENT

All kids deserve the opportunity to discover who they are and what they can achieve under the guidance of adults who care about them and believe in their potential. We see every interaction with young people as an opportunity for learning and development.

HEALTHY LIVING

Health and well-being are all about balance. That's why we help people and families build and maintain healthy habits for spirit, mind and body in their everyday lives. By helping kids, adults, families and seniors from all backgrounds improve their health and well-being, we build a stronger community.

SOCIAL RESPONSIBILITY

With our doors open to all, we work every day to connect people from all backgrounds and support those who need us most. We take on the most urgent needs in our community and inspire a spirit of service in return. Our members, volunteers, supporters and staff demonstrate the power of what we can achieve by giving back together.

PLEASE GIVE TODAY

At the Green County Family YMCA, we are committed to reaching out and touching as many lives as we can, so that we can improve the quality of life for ALL within our area by moving the mark on huge societal issues such as youth obesity, academic readiness and total family health.

Our focus is on kids and families beginning at birth, helping to prepare them for kindergarten and support them through their school age years, before, during, after school and summers. We believe the values and skills learned early on are vital building blocks for quality of life and future success, making for confident kids today, to contributing and engaged adults tomorrow.

The YMCA is more than just a gym...it's a cause. A cause that, with your generous support, will continue to strengthen the community in which you live.

To find out how you can support our cause, contact the Y by calling 608-325-2003 or visit www.greencountyymca.org.
