## **Overview**

The MYCB/YMCA strive to offer like skill opportunities for Monroe youth boys and girls, grades 4-8.

Youth need to register through the YMCA prior to **SEPTEMBER 26**. Receive our special early bird pricing & year-round exclusive opportunities by registering before our deadline. Early bird registration price: YMCA members & non members: \$47. Prices will increase on September 27. **There are no guarantees your child will be allowed to sign up late as number of teams and leagues will be decided based on September 26<sup>th</sup> information.** If allowed late sign up; late fees will apply.

If the sign up numbers of any class doesn't support a team; the MYBC will explore if there is any potential to work with another grade for the best interest of all participants. If that collaboration can't be found; a full refund will be given.

Game jerseys are provided at a cost of \$6 per year and must be returned in good condition at season end. A deposit of \$25 per jersey will be required, and per the policy, you will be charged the \$55 should your jersey be missing or permanently stained.

Shortly after the September 26<sup>th</sup> deadline, the rosters of interested participants will be shared with coaches. Coaches along with the MYBC will work together to find like skill opportunities and create teams accordingly. Player evaluations may be required and will be communicated by the coaches. **There will be a parent/player mandatory meeting scheduled on the first day of practice. Practice times & days are TBD.**

## **Coaches**

Any parents interested in coaching MUST fill out a coach's registration & undergo a background check by May 1 prior to the season. This information is used by the MYBC for offseason planning and development. All new coaches must submit to a background check the year that they plan to assist with a team. All returning coaches must submit to a background check every 2 years. To receive volunteer registration information, contact the YMCA Sports Coordinator Amanda Meighan at [ameighan@greencountyymca.org](mailto:ameighan@greencountyymca.org). A copy of the coach's code of conduct is included in the back of this packet.

Please note that as a volunteer coach, we ask that you keep in mind the YMCA's mission while working with the kids, and think of what is in their best interest when making decisions for the team.

Coaches will be the center point of the majority of communication once the season begins. If you feel as a parent or player you are not receiving timely communication, please contact Amanda Meighan at the YMCA directly.

## **Season and Schedule**

The YMCA/MYBC season runs from November through February for 4<sup>th</sup>-6<sup>th</sup> grade boys and girls depending on the team. There may be a two week break during the holiday season. The season for 7<sup>th</sup> & 8<sup>th</sup> grade boys/girls can run from November to March depending on Middle School Basketball season and will be evaluated annually by MYBC.

## **Games and Practices**

Games are typically scheduled for a Saturday or Sunday. Game venues change from week to week and coaches are expected to communicate these details timely.

Practices are determined by the coach. Practice venues have been secured by the YMCA. Coaches work together prior to the start of the season to establish a practice schedule. The group is sensitive to school being the first priority but due to the high demand of gym times; occasionally late evening practices are required. Details like number of players on a team and the grade level are all taken into consideration through this process. The YMCA Sports Coordinator will manage the schedules once established. When a practice conflicts with a game, it is the coach's responsibility to communicate with the YMCA Sports Coordinator to either cancel or move their practice to another day/location for that week.

## **League Tournament**

Most tournaments will be played through the Southern Wisconsin Basketball League (SWBL) or the Badger Development League (BDL). Both leagues are quite similar with the concept being that the participants play three games on a Saturday or Sunday. Most games will be on the road but there are still opportunities to play at home. Drive time for games can vary from 15 minutes to 2 hours depending on where the tournament is being hosted. Each

tournament that is selected will have an entry fee somewhere between \$125 -\$155. This entry fee will be split by how many players are on a team. If there are 9 players on a team the tournament fee will be split 9 different ways. Tournament costs are required to be paid before the player is able to play. Depending on the team and if they had raised funds in prior years (at home tournaments) some tournament costs may be covered. These **fees are not included** in your YMCA registration fee and questions should be directed to your coach.

## **Sportsmanship**

Each player and coach is expected to exhibit good sportsmanship. Good sportsmanship is the understanding of respecting the decisions of coaches and officials. This includes refraining from the use of expletives, disparaging comments or derogatory remarks or actions. All participants must treat opponents with respect before, during, and after the game and are expected to congratulate and shake hands with officials, coaches and opponents at the conclusion of each game. Participants will not encourage or participate in conduct that violates the rules of the spirit of the game.

## **Roles – Player, Parent, Coach and YMCA Staff**

Everyone plays a role in the success of the 4<sup>th</sup>- 8<sup>th</sup> grade basketball program!

- **Players** are here to learn and grow. They are to be respectful of the coaches, referees and YMCA staff who are investing their time and energy in their growth. All players will sign a code of conduct during the mandatory meeting which will lay out program expectations.
- **Parents & guardians** are here to support their player(s) and the volunteers and staff who are helping facilitate their player(s) basketball experience. Parents are asked to let each person do their respective job while refraining from inappropriate comments and conduct. If you do not agree with the coaching or call(s) made by the referee, please address the issue with the person(s) at an appropriate time and in a respectful manner. Rudeness and unacceptable behavior will not be tolerated. Gym supervisors will remove unruly spectators and/or participants at their discretion. All parents or guardians will sign a code of conduct during the mandatory meeting which will lay out program expectations. It is understood there are differences of opinions and situations will arise; to that point, there is a formal complaint policy included in this booklet and is to be followed.

- **Coaches** are here to develop player skill, character and sportsmanship. They are to be respected and supported in their role of teaching the players the fundamentals and rules of basketball. Coaches will be responsible for directing players in competition in a positive manner and will be encouraging players to perform to the best of their ability. Referee calls will be respected by coaches. Any issues will be addressed in a respectful manner with the appropriate persons. Rudeness and unacceptable behavior will not be tolerated. All coaches will pass a background check and sign a code of conduct.
- **Gym Supervisors** are established by the YMCA and help facilitate the games and participant use of the facility. They make sure rules are enforced, the facility is in good order, and good sportsmanship is exhibited by ALL participants (players, coaches and spectators).
- **Referees** are employed by the YMCA and help run the games. They enforce the rules of the league and make sure play is fair for all participants.
- **YMCA Program Coordinator** coordinates with the lead volunteer, Erik Huschitt of the MYBC. Questions and concerns can be addressed directly to her for YMCA registrations at [ameighan@greencountyyymca.org](mailto:ameighan@greencountyyymca.org) or by calling her at 608-325-2003.

SCHEDULE A

We are very excited to be able to share this jersey with your son/daughter to use this season. Thanks to the generosity of Monsignor Thomas Campion's Foundation (\$5,000), The Optimist Club (\$1,000), and The Monroe Lion's Club(\$500), the Monroe Youth Basketball Club was able to raise \$6,500 to purchase jerseys for our Monroe Basketball youth. It is our hope that these jerseys will serve upwards of one-thousand of our youth over their useful life. You will see that each jersey is adorned with the Campion's Champions logo. We hope that you all take a moment to explore the web attachment to learn more about the amazing example Father Campion set as part of our community and athletic programs. <http://www.campionschampions.org/>

Please take care of this jersey and only use it for games. **You will be asked to return the jersey at the end of the year in good condition; if any jerseys are lost or in damaged condition you will be responsible to the YMCA for the replacement at a cost of \$55/each. The YMCA will hold your \$25 deposit uncashed; until the jersey is returned at the end of the season. YOU MUST REPORT ANY EXISTING STAINS TO YOUR HEAD COACH UPON RECEIPT OR RISK BEING HELD RESPONSIBLE.**

A small fee of \$6 is charged for the use of these jerseys so that we have funds available after their useful life to replace them with new ones. We so appreciate your support of our youth basketball program and we are working on a number of things to enhance the experience.

Please follow the machine washing directions on each jersey tag and also included below:

**MACHINE WASH COLD. DO NOT USE BLEACH. HANG TO DRY**

## SCHEDULE B

### GREEN COUNTY FAMILY YMCA MONROE YOUTH BASKETBALL CLUB COMPLAINT POLICY

We know your sons and daughters are your most prized possessions. We want their experience to be wonderful and fulfilling, but should there ever be a concern we want the following procedures in place so you know how to get your concerns or suggestions addressed.

1. Unless you feel your child is in danger or an incident of gross negligence has occurred, we ask you wait 24 hours from time of the incident to take any action. Experience has proven that in times of high emotion, constructive conversation can be hard to find.
2. We ask that you please first share your concerns with your head coach. The coaches have signed a code of conduct and have the best intention of the kids in mind. They can't address issues if they aren't aware of them, so we ask you please try to resolve concerns in this manner first.
3. If you have expressed your concerns with the head coach and feel that the underlying concern is not properly being addressed, we ask you provide a written complaint/suggestion to the YMCA to the attention of **Amanda Meighan**. Please be specific and include your contact information so communication can be made back to you. If you do not wish to share your contact information, we will take the position it isn't important enough of an issue to address.
4. Your written complaint/suggestion will be shared with the MYBC which consists of youth coaches, YMCA, high school coaches, and Alumni and will be reviewed. If the MYBC feels that action should be taken, the actions taken will be relayed back to you.

This process was put in place to provide the most effective and action based response. As such, it is expected that this policy be followed by anyone with a complaint. By signing this policy; you are agreeing to use this structure should the need arise.

## SCHEDULE C

### GREEN COUNTY FAMILY YMCA MONROE YOUTH BASKETBALL CLUB GUARDIAN/PLAYER CODE OF CONDUCT

We ask that both the player and a guardian sign the following code in order to participate.

1. We understand that families have more going on than ever before, if a player cannot make it to a practice; you are asked to inform the coach at least an hour before practice.
2. While games and tournaments are fun, the work and majority of learning occurs at practice. If a player misses practice their playing time in a tournament may be reduced per coach's discretion. If a player misses so many practices that it affects their ability to follow along during future practices, they may be asked to leave the team.
3. A lot of information will be shared with players during practice so their undivided attention is expected at all times. We will have a progressive discipline approach should players be disruptive.
  - a. First warning will be verbal to the player
  - b. Second warning will be shared with guardian and playing time may be reduced per coach's discretion.
  - c. If disruptions continue to occur, the player may be asked to sit out of practice. The coach also has the discretion of involving the MYBC for suggestions on further disciplinary action.
4. Respect toward coaches and teammates is a must. Should a player ever do something thought to be dangerous to a coach or player; that player may be asked to leave the team.
5. Guardians and players agree to adhere to the complaint policy for any concerns or suggestions.
6. Gym time is always tight so we ask players to be on the court ready to go at posted start time (please do not arrive earlier than your scheduled start time. They should be respectful of others using the facility if others are still using the gym floor.
7. Coaches will try to honor the finish time of practice, we ask that players are picked up on time as to prevent unsafe situations. The coach's code of conduct will require that coaches don't leave a court until all kids are safely picked up.
8. The jerseys used on game day have been made possible by generous donations from Champions Champions, Monroe Lion's Club, and Monroe Optimist Club. We ask that you be mindful that these jerseys will be used for years to come so only wear on game days and avoid spilling food on them if eating at tournament. They should all be washed prior to returning to the YMCA.
9. As a part of this program, spectator's actions at tournaments are a direct reflection of our community. We ask spectators do not yell at players or coaches. Let players play and let coaches coach and always demonstrate good sportsmanship.

# COVID-19 Protocol For YMCA Youth Sports

*To ensure participant health and safety, as well as the enjoyment of our facilities and programs, we will continue to review and update these guidelines regularly to remain in line with federal, state, and local guidelines. Any updates to guidelines during the season will promptly be communicated.*

## **Prior to arriving at the YMCA or another facility:**

- Athletes and coaches should check their temperature at home before attending practice. If an athlete or coaching staff member has a temperature of 100.4 degrees or above, or if they have any cold or flu like symptoms, they should not attend practice. Examples of symptoms; sore throat, persistent cough, nasal or chest congestion, headache, nausea or diarrhea.
  - Athletes who are sick may not return to practice until they are symptom free for 24 hours.

    - Vaccinated athletes who have been around someone who has COVID-19, do not need to quarantine from others or get tested unless they begin to have symptoms.
  - If a positive COVID-19 test is reported to the YMCA, teams impacted will be notified, while keeping the individual's identity confidential.
  - If anyone in the household plans to get tested for COVID-19 because they are experiencing symptoms or if they are awaiting their test results the athlete should not attend practice until the test comes back negative.

- Face coverings are optional at this time.

## **Coaches:**

- Designate one coach per team to be responsible for sanitizing equipment and making sure that children are sanitizing their hands, and responding to COVID-19 concerns.
  - Families and the YMCA should know who this person is and how to contact them.
- Masks/facial coverings are optional for all coaches at this time.
- Communicate your guidelines in a clear manner to athletes and parents.
  - The YMCA will reiterate these guidelines to families.
- Communicate expectations regarding minimizing the spread of the virus and the habits that will contribute.
  - Reinforce the need for athletes to maintain social distance and not attend a practice if exposed to someone with COVID or if feeling ill.
    - If a child who is sick or has cold like symptoms attends a practice, separate the child immediately from the other players and contact their parents to have them picked up. Remind parents that children cannot attend practice while experiencing any symptoms or until they are symptom free for at least 24 hours or have a negative COVID-19 test.

### **Social Distancing:**

- Practice- Coaches should encourage social distancing between players as much as possible. This means additional spacing between players while chatting and changing drills so that players remain spaced out, and no congregating of players while waiting a turn. Workouts should be conducted in 'pods' of students, with the same 10-20 students always working together. This ensures more limited exposure if someone develops an infection.
- Hydration- All students shall bring their own water bottle. Water bottles must not be shared.
- Warm-ups/Stretching – Maintain social distancing between players
- Huddles – Social distancing to be maintained as much as possible when the coach is communicating with the entire team or in smaller groups. All players and coaches should be encouraged to mask during huddles, especially non-active players.

- Towels- Athletes should bring their own towel, if needed and they should be washed after each practice/game.
- Warm up equipment must be sanitized after use.
  - Any equipment that is used should be cleaned and disinfected prior to and immediately following practice. Be responsible for your own belongings.
- Emphasize to avoid touching the face throughout practice.
- All athletes and coaches must blow their nose into a tissue and immediately throw the tissue into the garbage and disinfect their hands. Coughs/Sneezes should always be covered even when wearing a face covering.
- If a player puts their hands/fingers in their mouth or spits on their hands, practice must be stopped and the player must sanitize their hands and/or any equipment touched. Coaches should work to discourage these habits.
- The YMCA will provide hand sanitizer and DS1 disinfectant spray for practices and games. Players hands should be sanitized when arriving and any time they switch activities. Basketball equipment must be sanitized before and after practice and between changes in activities by the team's coach.
